FEBRUARY 2021

Welcome to our Keighley Big Local Plan for 2021- 2026

Keighley Big Local Partnership

*“I have some fond memories of living here and being part of big local is an opportunity to give something back and encourage and inspire the next generation”
Hamim, Stockbridge 2015*

*“We can now give the kids far more than what they have got now”
Maxine, Red Holt 2015*

*“I hope, in the future I am in a position to make a positive contribution to Big Local’s endeavours”
Phil, Riverside 2015*

*“it’s about local people working together to change the local landscape”
Fiona, Riverside 2015*

*“If there are visual improvements straight away people will believe and have faith in Big Local”
Gina, Parkwood 2015*

KEIGHLEY BIG LOCAL

When the bells tolled at midnight on 31st December 2014 Keighley had 14 months remaining of its 'Pathway' period to secure an opportunity from Local Trust; to draw-down £1Million of funding for the 'Keighley Valley' within the Keighley East Electoral ward.

To secure the funding, Keighley needed to recruit at least 8 residents to form a 'Partnership', consult with the communities of the 'Keighley Valley', produce a community profile and a plan of how residents would want to see the money spent.

Previous attempts to engage with the community had not been as successful as hoped. Effective consultation results in action, but that is the tip of the iceberg. We needed to establish enough agreement and support within our communities that the actions made sense and would work. We knew potential key players were out there, we needed to get them on board, each with a stake in the solution to give it the best chance of succeeding. The best process to identify them, involve them and build up interest was through Participatory Budgeting. Participatory budgeting [PB] is a process of democratic deliberation and decision-making where residents decide how to allocate public budgets.

We used the principles of PB to: Raise the profile of Big Local through a grass root presence, ensure engagement, inform the community profile, provide quick fix solutions through £50-100 'on the spot' grants which tested ideas and thinking and recruit residents.

With the assistance of local Ice Cream man- *Mr Whippy* we set off through the Keighley valley with the offer of a free Ice Cream for a completed survey. The door step 'cone-sultations' were a massive success. 345 residents shared their views, each conversation was recorded and funding offered to residents to action the most popular ideas- providing a quick fix solution. The small projects galvanised small groups of residents who organised activity which tested ideas and acted a precursor to more ambitious thinking. Residents who organised and took part in the activities went on to lead the development of the Vision & Themes of the Big Local Plan in a series of 6 public meetings, form the Partnership and submit the plan to Local Trust.

In January 2015 Keighley secured £1Million of Local Trust funding

KEIGHLEY **BIG** LOCAL

The Keighley Big Local Plan was endorsed by Local Trust in January 2016. The Plan became live in March 2016 for a period of 2 year.

We had 7 Themes with X projects. We planned, initiated and implemented achievable projects with individual communities: 'Quick fixes' which would help meet the aspirations of residents and broaden participation in the long-term aims of Keighley Big Local.

What We Learned: Rewarding Involvement

Rewarding members of the community helped increase participation, build trust, affirm actions and build a sense of being valued and 'community identity' that motivated residents to participate in the long run.

The Surrey Street Rewards Projects saw 28 children, and young people supported by Partnership member Hamm regularly litter pick their local play area. Stickers were credited to individual reward cards which earned 'treats' such as play days, sports, gardening, trips and communal eating. All of which were part organised by residents.

The 'reward' itself became a means of engaging and recruiting more residents and an opportunity for residents and Partnership members to develop their own skills and confidence to deliver activity.

We took advantage of community gatherings, particularly the Halloween events which meant consultation was open and on-going, making it easier for people to get involved, encouraging input and ideas, with flexibility to feed into the Keighley Big Local Plan.

KEIGHLEY BIG LOCAL

Although the Keighley Big Local area is blessed with a green open space, adopted, used and managed to varying degrees by residents, there is a lack of accessible buildings residents identify as their own: A lack of community spaces to facilitate the exchange of ideas, friendships and share experiences.

We recognised this in our Pathway year which led to our 'door step' approach to engagement. Building and maintaining relationships in a place residents were familiar with and comfortable in- their doorstep and street corner.

What We Learned: Locality

Conducting research on the doorstep provides opportunity to collect information from residents, but also allows for greater engagement and conversation and a better chance of 'buy-in'.

We found more residents would get involved with actives if it was in a place they knew with people they were familiar with. We knew the outcomes we wanted to achieve and adopted an ABCD approach to getting there ; identifying and promoting residents skills, celebrating local knowledge and encouraging them to set their own targets.

At Dalton lane, residents organised more ambitious litter picks involving street play and foods. In Stockbridge residents organised a Sunflower growing competition and river enthusiasts shared river monitoring techniques. Residents in Riverside took it one step further and used a Big Local small grant to buy 20 coffee mugs and every Thursday evening they met out on the street; exchanging garden plants, planning activity and getting know one and other.

In June we started to utilise the HALE Community Bus in neighbourhoods where green space was at a minimum.

KEIGHLEY **BIG** LOCAL

The first Keighley Big Local Plan had been a success, a PRINCE 2 assessment showed we had delivered 85% of what we had set out to do. We had a thirst for positive change and it was getting easier to be heard, we were getting noticed- including an invite to a private surgery with our constituency MP.

We wanted to be more ambitious, but at the same time we recognised we could not do it all ourselves- it was all about establishing the right partnerships, with the right agreements and realistic contributions to achieve our outcomes.

Our activities to date had been territorial, macro and personal, we were looking to partner up with other organisations to deliver for our communities and also for our communities to have more cross-over and connection: Building social capital.

What we Learned: Partnerships

It was important to show we knew our stuff and we could demonstrate that through sharing local knowledge. How this knowledge is communicated is significant, and by whom, both within and beyond the community.

We learned to do that by serendipity. We started to invite potential applicants for our Community Fund to Partnership meetings, initially as a means of keeping meetings fun and interesting- what happened was a sharing of experiences, practices, cultural differences and ideas between the Partnership and guests which led to more involved and dynamic projects. Partnership meetings were quorate, well attended and led to working agreements with UNLTD, STAR Youth, Bradford Credit Union, Jam on Top Recording Studios and the development of the All for Play agenda. All with written partnership agreements.

KEIGHLEY NEWS ARCHIVE

KEIGHLEY BIG LOCAL

The Keighley Big Local area is a linear corridor with a busy infrastructure that helps some residents connect with amenities, other communities and places of work and study. But the railways, roads, canals tow paths, rivers and areas of industry has also created a fragmented landscape, psychological with some residents feeling 'community cut off and isolated from others in their communities. This wedge through the Keighley Big Local community limits people's desire to move through that area, reducing accessibility to services, networks and community 'cohesion

What we Learned: Shared Vision

Residents living in Red Holt, in the South of Keighley Big Local knew little about what was going on 2 Mile away in Stockbridge, in the North of the area. Residents in Dalton lane and Riddlesden has no connection with our only Community Centre in Hainworth. Prior to Big Local there was little organised activity throughout, so there was no reason to travel.

Promoting meetings throughout Keighley Big Local and encourage members of one neighbourhood to support another started to open up opportunity and knit communities together. In January 2019 we introduced the One Hour Tidy's as a means of encouraging more pride in neighbourhoods but they also quickly became an opportunity for effective meetings; 'on the ground', visible and inclusive to residents and service providers.

We had identified common interests and individuals willing to take forward ideas, but we were also reminded of the importance of 'being seen', giving communities opportunity to cross-over, discuss their ideas together, imagine their ideal community: Leading to organisation, planning and action.

26th June 2020

KEIGHLEY **BIG** LOCAL

At the beginning of 2020 we had a plan; we would concentrate our efforts outdoors, improving and activating parks and encouraging more residents to enjoy our natural green spaces. In March we went into lock-down. 'Doorstep Support' was our response to the COVID action plan for Keighley East. When the government's guidelines came into play, first and foremost we wanted to ensure the food bank run from Hainworth Wood Community Centre continued to operate. The food bank provides for 25-30 people in need each week but the volunteers who run it week-in-week-out were self-isolating apart from one. We knew we could provide more support as the Big Local play team, run by Get Out More CIC, were unable to deliver their weekly Forest Schools activities. With furloughed Keighley Big Local Partnership members we had a consistent team to help each week, providing a visible presence of familiar faces with an offer of practical help. The twice weekly patrols were a massive success. We picked up ideas from residents and quickly established a number of initiatives- provision of essential items, DIY Materials, Street games, competitions and a network of 'good neighbours'. Big Local was the anchor in the community helping to mobilise residents to take action. Like 5 local ladies who collectively became Ma Kelly's Kitchen providing 200 hot meals for shielding and isolating residents. Covid-19 has changed the way Keighley Big Local works and what we have learned will inform what we do in future years. HWCC Online shop, developed through the partnership with Unltd is the perfect management tool for distributing items to those who need them, in a safe organised way. The All for Play team still maintain a link with older residents and have now secured funding to continue Door Step Support activity throughout 2021. And Ma Kelly? What happened to them? They are now a 'Small Charity' and continue to support our residents.

Official Government Advice

Apart from people who are in households with symptoms or who have pre-existing health conditions that put them at increased risk from COVID-19, going for a walk independently can continue and is an excellent way to maintain health and wellbeing. Independent walkers stay more than two metres from others.

Do not meet others, even family & friends

Volunteers should not participate in litter picks unless they understand and accept that participation is entirely at their own risk.

WIP Muppett Supported by Keighley Big Local

SATURDAY WALKS

Following the very popular 'Welcome Walks', we are now starting monthly 'Saturday Walks' over the Winter Months. These walks are more ambitious and will hopefully prove to be as popular and enjoyable as the Summer & Autumn 'Welcome Walks'. If you are a Keighley Big Local resident, bus fares can be reimbursed.

Saturday November 23rd 2019
Marsh to Hebdon Bridge Linear Walk
A Nine Mile Linear Walk

Meet at Keighley Bus Station to catch the 11.05am B3 Hebdon Bus and meet at Marsh, Oxenhope at the bus stop by the junction of Marsh Lane & Moorhouse Lane at 11.20am

The walk on the South Pennine hills will follow a series of ancient path tracks, over open moorland. As well as walking on wooded overland paths we will be taking in a number of uphill and downhill climbs, so a reasonable level of fitness is required.

Please come in comfortable clothing (not jeans), suitable footwear. Some of the paths will be muddy and bring a water proof coat (even if it's sunny as the weather can change). Children accompanied by an adult and well behaved Dogs on leads are also welcome.

SUPER HEROES WANTED!

TO HELP KEEP OUR GREEN SPACES TIDY THE ONE HOUR TIDY

FRIDAY 1st NOVEMBER 10:30-2:00PM
RIVER WORTH
With Plastic Free Keighley & Aire Rivers Trust
@ Marley Playing Fields
Help remove Plastic, Litter & Debris from the Playing Fields and the River Worth where it empties into the River Aire

SATURDAY 16th NOVEMBER 11:00AM-1:00PM
HEDEGOG WINTER
With Aireworth Grove Residents
@ Playing Fields
Headgog's more nesting sites at least once during the hibernation period of November to March and during mild winters can remain active into December. Help us make it a comfortable winter for the hogs!

2:00PM-3:30PM
RIDDLESDEN
With Plastic Free Riddesden
@ United Reformed Church
Join Plastic Free Riddesden for a circular litter pick. We start at the United Reformed Church and will walk along the Canal to Granby Bridge, returning to Barr Lane via Bradford Road.

Stay One Hour. It makes a difference! Everyone Welcome. All equipment provided with complimentary refreshments for everyone who takes part.

FOOTPATH CHALLENGE

GRANGE ROAD TO LEEDS LIVERPOOL CANAL BD20 5AA

Join a team of CO-OP Employees, Residents & Keighley Big Local to improve a footpath on the Grange Estate

10AM- 2PM ON FRIDAY 5th APRIL 2019

The Keighley Big Local Partnership has set aside a budget of £10,000 to help improve the footpaths within the Keighley Big Local area. We work with residents & Bradford Council Countryside Rights of Way to identify footpaths which should be improved to provide a safer and safer route for people to use. Riddesden Cricket Club will be opening up their Club House to provide snacks & refreshments kindly donated by the COOP.

FUN PALACES

@ Riddesden Cricket Club

We are starting the Fun Palaces, a celebration of arts, science, craft, tech, environment, heritage and sports at the heart of the community. If its popular we will host a Fun Palace weekend on 5th & 6th October 2019, part of a nationwide party!

REVIEW

PLAN 2018-2021 REVIEW

Local Trusted Organisation

Salaried Worker

What impact have you had [how have things changed]?

What have you learnt [What would you do differently]?

How have you progressed on your vision and priorities?

Do you need to refresh your vision and priorities?

How does your progress relate to the achievement of the Big Local outcomes?

Do you need a new plan

How do you know this is what your community want?

KEIGHLEY BIG LOCAL

Airedale Enterprise [Company number 04314996] will continue as the LTO

The Salaried Worker will remain in post. To demonstrate our belief projects will be self-sustaining, the salaried worker contract hours will be reduced to 26 hours per week in years 1 & 2; 15 hours in years 3 & 4 and 7.5 hours in the final year.

Extracts from the Plan Review 2018-21- *SurveyMonkey*

[1] We have improved social capital across the big local area and Keighley East in general. We spent the first two year capacity building; introducing organisations and people to each other creating a more informed network of people who do together! I think we have also demonstrated that residents can be trusted with determining their own needs and finding solutions to meet need and recognise when it works

[2] I am a Big Local Friend and attend meetings , What Big Local are doing is fantastic , they are working within the community and supporting all residents , It has been hard due to COVID 19 however without the help and support from Big Local some of the more elderly and vulnerable residents would not have got any support

[1] I have learnt that help and support is there and Big Local is making parts of Keighley a better place to live and work

[2] Going to meetings, talking and then having time to think and make a decision on *SurveyMonkey* gets the best results

80% of the Keighley Big Local Partnership believe Big Local has made 'Good' progress

The Keighley Big Local Partnership unanimously believe they do not have to refresh the Vision, Mission and Aims set in 2016

Communities will be better able to identify local needs and take action in response to them.

▪ 40% Progress is Excellent 60% Progress is Good 0% Progress is Poor

People will have increased skills and confidence, so that they continue to identify and respond to needs in the future.

▪ 30% Progress is Excellent 70% Progress is Good 0% Progress is Poor

The community will make a difference to the needs it prioritises.

▪ 35% Progress is Excellent 65% Progress is Good 0% Progress is Poor

People will feel that their area is an even better place to live

▪ 40% Progress is Excellent 60% Progress is Good 0% Progress is Poor

The Partnership will submit a more focussed plan for the period 2021-2026

The Partnership has reviewed activity with a dedicated 'Legacy' Workshop, 5 dedicated *SurveyMonkey* and 2 consultations with residents.

The Keighley Big Local Partnership shared their ideas with the public:

Street Consultation [s]: 31 Residents

Online Consultation: 19 Residents

1

We would like to make the 'Keighley Big Local Play Team' bigger and better.

- Increase the hours of supervised play for children & young people
- Increase 'Play' training for residents
- Increase play opportunity and creative activity for our older residents.
- Increase the chances of the play team continuing after 2026

85% Strongly Agree

- **Parkwood Street Play Area needs improving**

Hainworth & Woodhouse

- Big Local's support of the community Centre is recognised
- Big Local's response to COVID is viewed positively
- Big Local's support of older residents is valued

Red Holt & Springbank

- Big Local is well known
- Big Local's achievements with 'The Rec' and Hainworth Wood are recognised
- **Big Local should do more to bring alive the Community Centre**

2021 2026

LEGACY STATEMENT

THERE NOW FOLLOWS A LEGACY STATEMENT ON BEHALF OF THE KEIGHLEY BIG LOCAL PARTNERSHIP. INT WEST YARKSHAR

“Nah then, does the remember that Keighley Big Local? What the chuffin’ ‘Eck did it ever do for us”?

“Ey Up lad,, because of that lot, Keighley has thriving, safe spaces t’ play, used by confident, resilient communities; tha naw’s, Folk who reyt care for the environment.

Folk celebrate t’ built heritage, our people and customs and the place has become inclusive wae everyone is valued

There’s more folk doing stuff too , not laiking but working, learning and following an interest

“The sounds chuffed!. Apart from the safe green spaces, resilient communities, celebrations, respect for one an other and folk skilled up and doing more for the selves.....

Honestly, what did Keighley Big Local do for us?

Just some outputs

| KEIGHLEY EAST CAT NEUTERING | FOOD HYGIENE TRAINING | TMCE ROAD MANAGEMENT TRAINING |
| TAG RUGBY TRAINING | COVID SECURE TRAINING | ILM MANAGEMENT TRAINING |

Legacy

Keighley Big Local Partnership was organised in November 2015, many of those resident who adopted the Terms of Reference and Keighley Big Local Plan were 'raw recruits' with little experience of managing public funding.

Five years on and its been an amazing journey full of great projects. Some have worked, some have 'spluttered' along and some fizzled away but it is agreed they were all worthwhile ways for the partnership to have spent their time: Forest Schools, Wild campsites, Celebrations, Radio Stations, Youth Projects.

But something was missing: What was Keighley Big Locals legacy?

The Partnership wanted to define a legacy which would outlast the Local Trust funded period; something everyone could point to years from now and have more than just memories to show for it; something that had impact on Keighley Big Local people and places

The legacy that will be left by Keighley Big Local will emerge from its achievements, failures and planned activities and some of the Partnership members felt time was running out. One Partnership member said "it really worries me that what we are doing ends up to have no long-term value", another said "funding is finite, are we using it right? Will what we've done inspire people in decades to come?"

On March 10th 2020 the Partnership started a formal journey to evaluate and consider the impact of Keighley Big Local. Meeting in person and using online survey tools they discussed what they had done, what they were doing and what should and should not be done to ensure a legacy.

The Partnership maintain the original Vision and Mission Statement:

A Happy Keighley. A content Place 'Big Local Keighley Valley will give people the power to create communities where everyone of all ages has the chance to live and play, where streets and open spaces are clean, safe and welcoming, with a supportive community which is strong and fair - a community that learns and celebrates together'

A resident led community hub , Big Local Keighley Valley will be the organisation of choice for those people who want to make the area an even better place to live'

And reviewed activity within the 5 themes of the Keighley Big Local Plan 2018-2021, to provide a clear understanding of the action required to give the best chance of creating a Legacy.

All for Play

"To increase the opportunity to play for all people aged 1-101 years"

Legacy: Thriving, safe spaces to play, used by confident, resilient communities,

Parents support outdoor play, play areas are in good condition and well used

Pro-environmental behaviour is ingrained

There are ongoing play programmes and activities for all ages and healthy active families as a result

A Great Outdoors

Aim: To provide welcoming, well-managed natural green spaces, woodland and riverside

Legacy: Caring for the environment is part of the culture of living in the Keighley Big Local Area

- Fewer people experiencing anti-social behaviour,
- People have healthier and more active lifestyles
- The River Worth Friends group is established

Community Pride

Aim: To bring communities together to share common experiences and have fun

Legacy: More celebration of our built heritage, our people and customs

- Regular local community events and activities
- Keighley is viewed positively and celebrated for its uniqueness
- Improved communication between residents who are proud of their neighbourhoods

Better Together

Aim: To make an offer of Practical help

Legacy: Keighley east has become inclusive and everyone is valued

- There are fully functional Community spaces meeting the needs of the communities they serve
- Greater social capital and established mutual support networks modelled on Café Eden & Green Drinks
- Keighley Big Local has inspired other areas to grow and develop their own communities

Learning Together

Aim: To help all people reconnect with learning and follow an interest

Legacy:

- Keighley Socialights & Good businesses rooted in the local community
- Keighley on Aire is sustainable with commercial income, the local community is skilled up to run it,
- More Keighley Big Local communities are Plastic Free community

And we will achieve this by

Start doing:

encourage more local ownership of activity, train local people, develop capacity of local groups, encourage partners to take on projects, develop income generation and alternative funding.

Stop doing:

fully funding projects, stop funding projects that could be funded by others, stop funding projects that aren't community owned or led.

Slow down:

projects move away from 100% funding

2021

ACTION PLAN

2016-2018

THEME ONE ALL FOR PLAY

- SURREY STREET
- RED HOLT POD
- DALTON LANE
- SMALL GRANTS
- HAINWORTH REC
- PLAY TEAM

THEME TWO FUTURE STREETS

- WALK N SIT
- GROT SPOTS
- YOUTH GRANTS
- YOUTH WORKER

THEME THREE GREAT OUTDOORS

- HAINWORTH
- LOCAL FOOD
- RIVER WORTH

THEME FOUR COMMUNITY PRIDE

- FAMILY PLAY DAY

THEME FIVE BETTER TOGETHER

- TRANSPORT
- GRANTS
- REWARDS
- HALE BUS

THEME SIX LEARNING TOGETHER

- PARK WOOD
- SMALL GRANTS

THEME SEVEN UNIQUE KEIGHLEY

- UNIQUE KEIGHLEY

2018-2021

ALL FOR PLAY

- PLAY TEAM
- SUMMER CAMP
- YOUTH WORKER

- GREAT OUTDOORS
- RIVER WORTH
- WALK N SIT
- HAINWORTH WOOD
- ONE HOUR TIDY

COMMUNITY PRIDE

- FAMILY PALY DAY
- HALLOWEEN
- ECO JUMBLE

BETTER TOGETHER

- HWCC
- SOCIAL PRESCRIBING
- CAFÉ EDEN
- HALE BUS

LEARNING TOGETHER

- GREEN DRINKS
- PLASTIC FREE
- ETHICAL EVERYDAY
- SOCIALIGHTS
- COMMUNITY RADIO

2021-2026

ALL FOR PLAY

- PLAY TEAM

A GREAT OUTDOORS

- RIVER WORTH

COMMUNITY PRIDE

- EVENTS

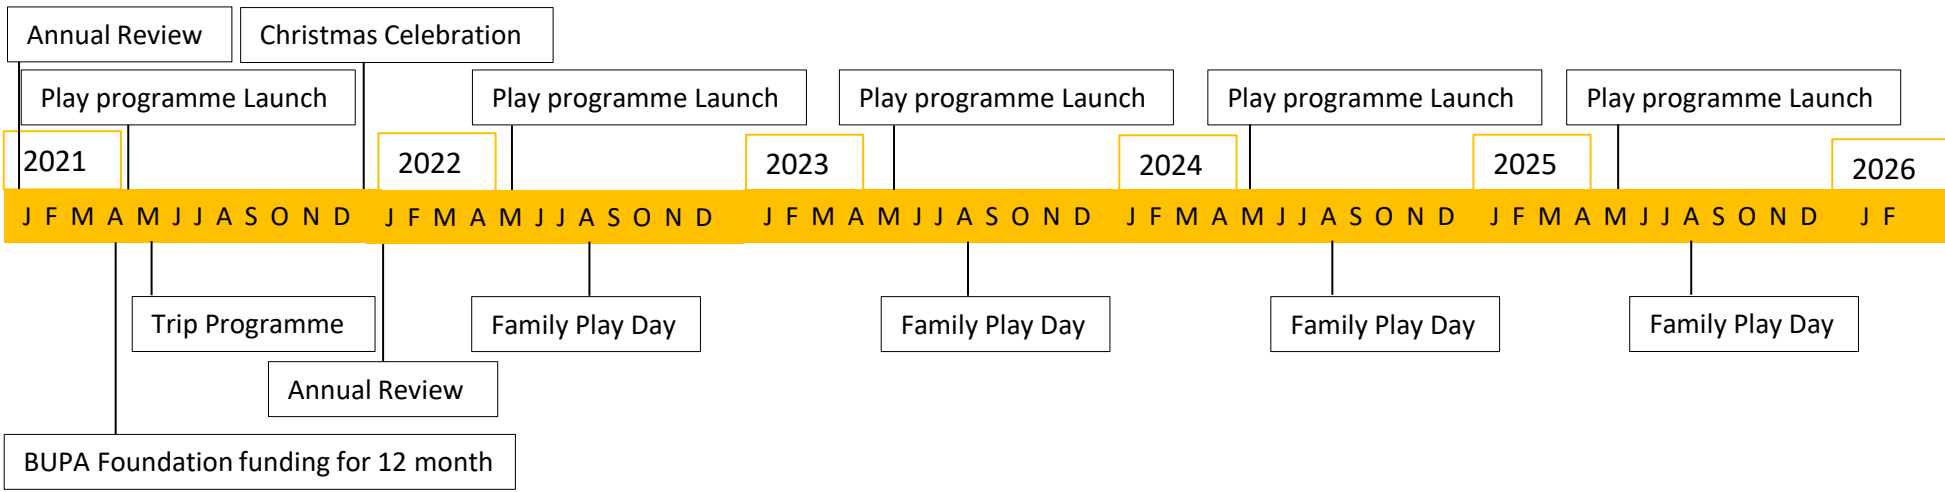

BETTER TOGETHER

- MA KELLY
- CAFÉ EDEN

LEARNING TOGETHER

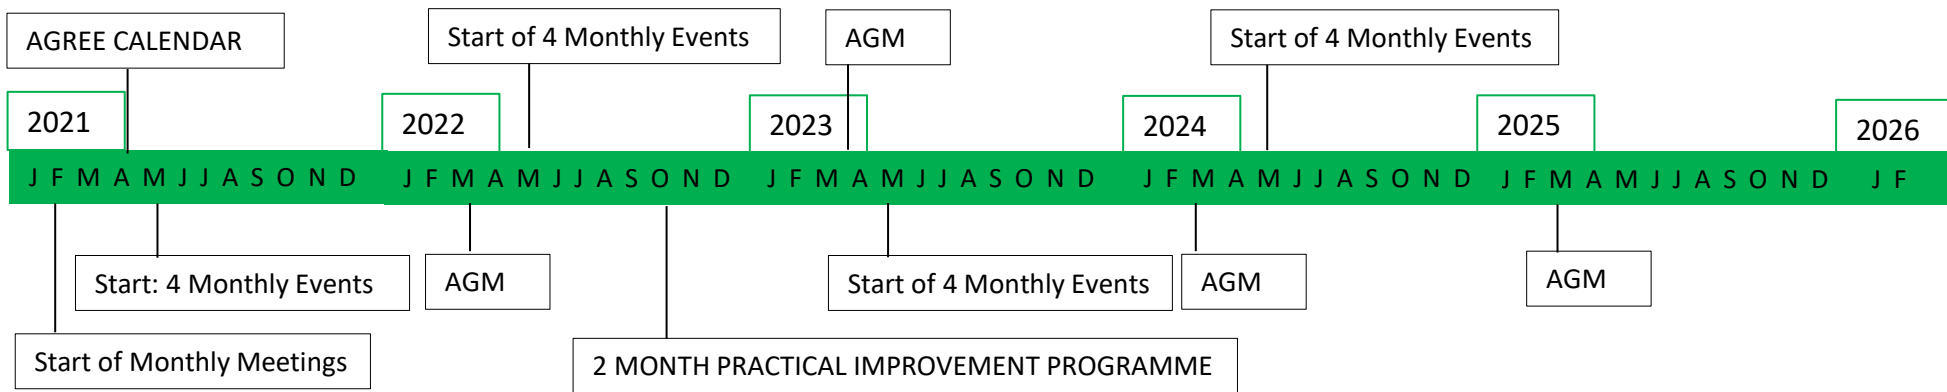

- STAR CENTRE
- IMAGINATION
- PLASTIC FREE
- COMMUNITY RADIO
- KEIGHLEY SE PLACE

Get Out More

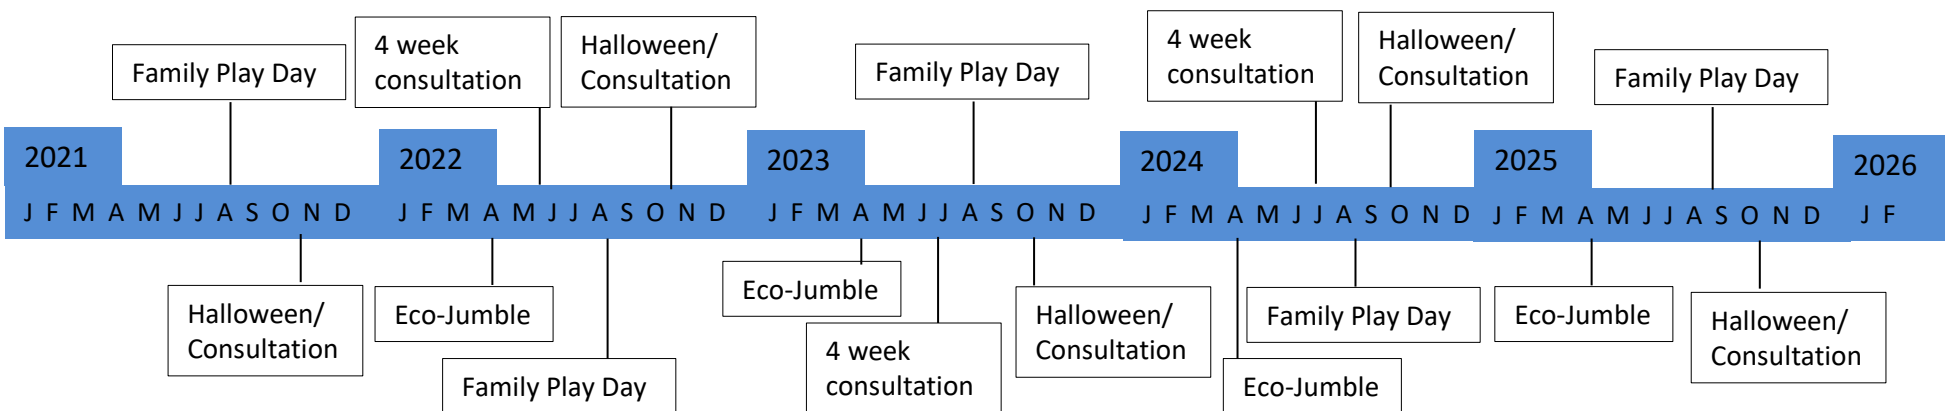

All for Play will continue. A new contract will be agreed to include: expanding activities to include **'Doorstep Support'**; increased training opportunity and a commitment from the Contractor to secure match to create a full time Play Practitioner Post. The name of the programme will change to **'Get Out More with Keighley Big Local'**, we will work together to establish other revenue streams to give the programme the best chance of sustaining activity beyond Local Trust funding.

River Worth Friends

River Worth Friends is the Flagship Project in this theme. With the aim of increasing impact, we will package successful projects within this theme and deliver them in a new area of interest to be defined by The River Worth friends, Big Local and Aire Rivers Trust. This will include **One Hour Tidy's** and **Walk n Sit** Practical Improvements. We will concentrate efforts on connecting the River Corridor with other Green Spaces though practical work and landscape strategy.

Events

Keighley East has few annual events for community celebration. We will continue to host the **Family Play Day, Eco Jumble and Halloween Event**, a means of celebration, recruitment of volunteers and consultation. We want to further stablish these events and regular activity including Keighley Green Drinks and Café Eden on the Keighley calendar. We will continue to prioritise training that will encourage resident participation.

Ma' Kelly's Kitchen

We will help to address Food security through **Ma Kelly's Kitchen** who will respond to crisis and need at a grassroots level. We will encourage residents to join the effort and provide relevant training and experiences to create a 'pool' of good neighbours. We will do this by making available a training budget for Big Local residents to access. We will seek match funding to establish Ma Kelly's Kitchen as a Three Keighley ward wide project with Local Trust funding contributing One Third to costs.

Café Eden

We will continue to support Café Eden with partners AWARE and Keighley College. We will provide a budget which will be used to encourage training and experiences which will capacity build mutual support and self-advocacy. We will encourage social gathering to complement the monthly meetings .

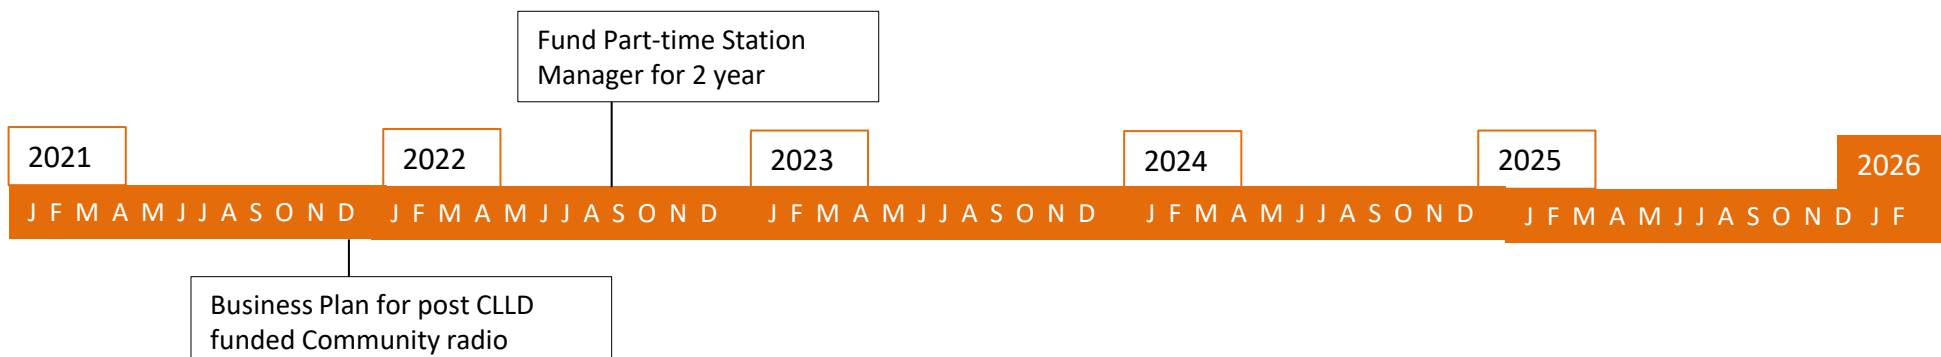

STAR Centre

We will support the re-establishment of a **STAR Centre** in Keighley East with a consortia of partners from all sectors. Promoting STEM learning and establishing an income generating **Unique Keighley** visitor attraction. The budget will be used in the project imitation and development stages with a capital investment considered by the Partnership,

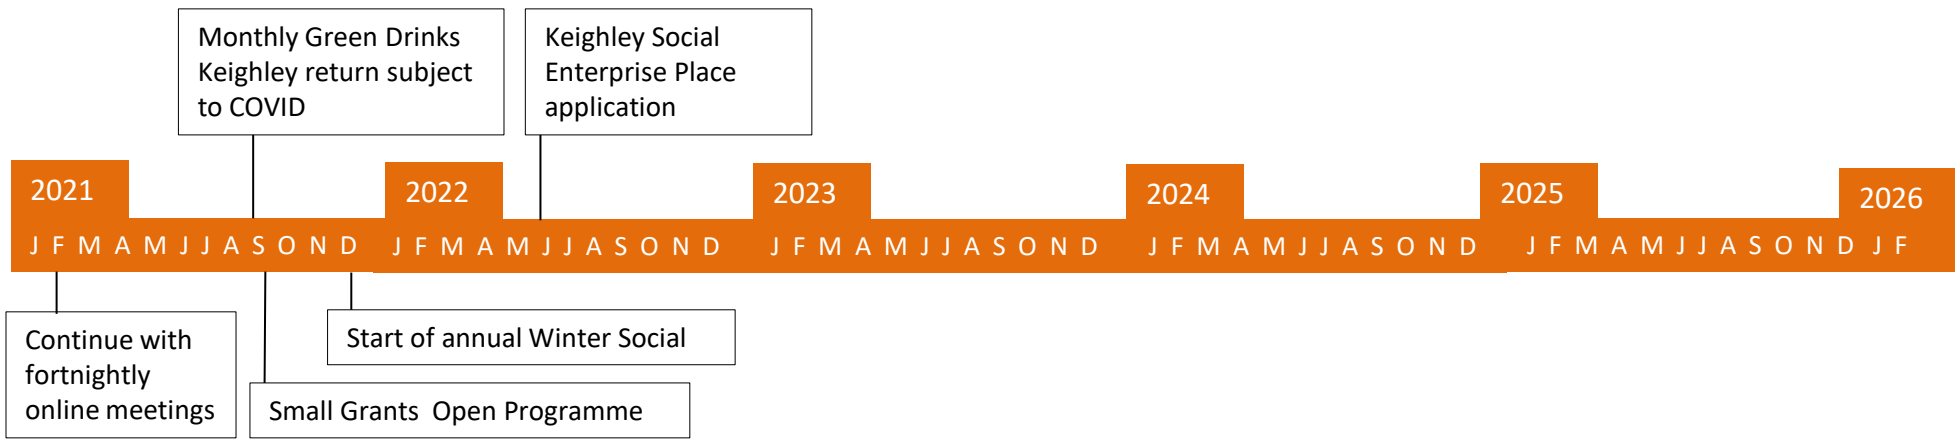

Keighley on Air

To be developed further before committing funds

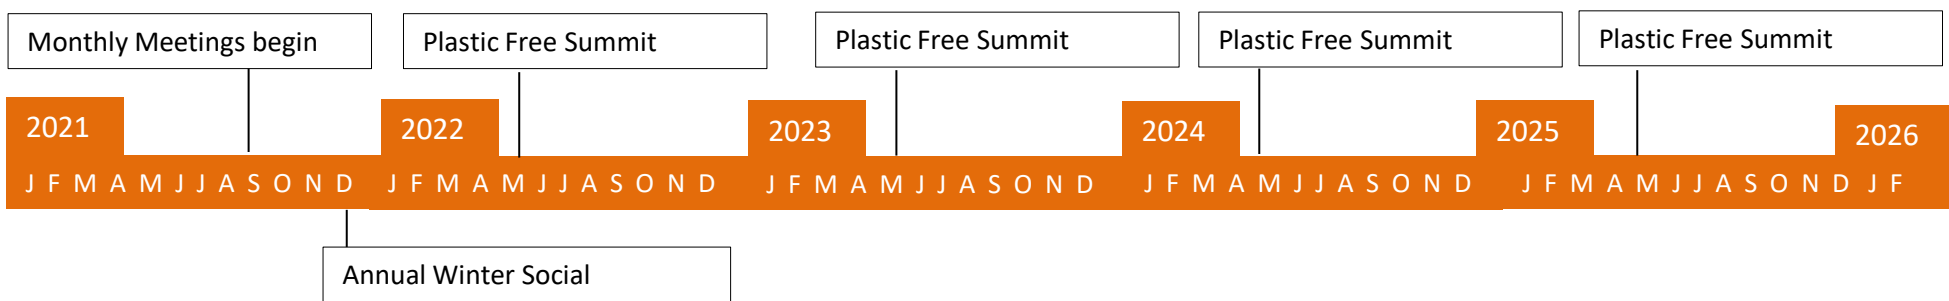

We will support the continued growth of our Community Radio Station beyond its current funded period with a view to establishing a sustainable project with an appropriate legal structure, status and type to maximise opportunity.

Keighley SE Town

We will grow our support for local Social enterprise. Helping to build the local economy, through locally focused services that meet the needs of the community. We will do this across the Keighley District in partnership with our **Keighley Socialight** partners. We will incorporate an underspend on the **Small Business Support** to continue a Start-up grant for new enterprise

Plastic Free Keighley

We want to discourage a throwaway society to a circular economy in which products are reused & remade; removing waste and litter. We will support **Plastic Free Keighley** to encourage residents & business to reduce dependency on single use plastic. We will encourage all Plastic Free communities in the district to meet and share best practice in the Keighley Big Local area. We will support organised groups to attain Plastic Free Champion status.

Imagination Library

To be developed further before committing funds

We will support the development of the **Imagination Library** in Keighley East. A book-gifting program that provides free, high-quality books to pre-school children up to 5 years of age. Developing off-line learning opportunities, book exchanges and Parent/ Toddler reading groups in our community spaces.

Community Fund

Our **Community Fund** Programme will provide opportunity to fill gaps in services and respond to emerging need. We will encourage applications which help us deliver the Big Local Plan 2021-2026. We will also prioritise applications who can deliver those projects outlined in previous Big Local plans but not initiated for example, the **Rewards Project**. The Community Fund will include **Rapid Response** grants of £50

2021 2026 COSTED VISION

The Underspend from the previous Keighley Big Local Plan is **£55,440.00**

This will be applied to

Keighley SE Town
£20,000 Business Grants
Total: £25,000.00

Project Support
£13,200 Salaried Worker
Total: £118,200.00

Community Fund
£22,240 Open Grants
Total: £82,240.00

Priority for Community Fund applications:

Projects

- Rewards Project
- Bradford District Credit Union loans
- Hainworth Wood Community Centre Café
- Summer Camp

Outputs

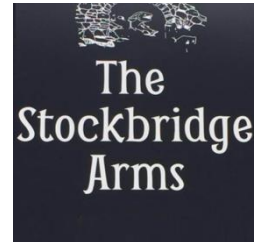

Our Third Plan is a consolidation of previous plans, focusing and investing in the projects we know work, have the potential to grow and sustain an element of activity beyond the Local Trust funded period

Delivering the Big Local Plan 2021-2026

- **OBJECTIVES:** Front Load with, and taper off Local Trust Funding over 5 years; 2021-2026
- **OUTPUT:** Include a commitment on those leading projects to secure Match Funding to grow and further establish Big Local activity.
- **IMPACT:** We will use Local Trust Funds to establish activity in the Big Local area only and demonstrate a direct benefit to those residents; always encouraging partners to mirror our activity and increase the area of interest of project activity by securing external resources.
