- Afternoon- Ian Owers introduced our visitor Hannah Worth from Renaisi; the social, enterprise which manages the Local Trust Reps. Ian promoted the Local Spring Event at Sheffield on Saturday 6th May and encouraged attendance by Partnership members and residents. Helen & France Leigh both promoted the need for good evaluation, to record Big Local activity and assess impact. Shaun to provide information for an event in the Autumn- for partnership members to evaluate what has worked, what has not worked. What we learn from the exercise should help the Partnership decide what type of themes should be promoted in the future. The type of event and how the Partnership promote the opportunity will be discussed at the next full meeting
- Shaun introduced Annie Berrington from Get Out More CIC; the new Big Local Play provider explained what the organisation- a Community Interest Company did, what they had already achieved in the Big Local area and surrounding communities. Get Out More has been short listed for a £50K Lottery award and Annie encouraged those attending to vote for the project.
